European foreword	3
Introduction	5
1 Scope	6
2 Normative references	6
3 Terms and definitions	6
4 Functions	6
5 Design characteristics	6
5.1 General	6
5.2 Ingress protection	7
5.3 Pressure ratings	7
5.3.1 Above atmospheric relieving pressure (pressure relief)	7
5.3.2 Below atmospheric relieving pressure (vacuum)	7
5.3.3 Tank overturn	7
5.4 Flow capacity	7
5.5 Temperature range	7
5.6 Materials of construction	7
5.7 Dimensional characteristics	7
5.8 Electrical resistance	7
6 Tests	7
6.1 General	7
6.2 Production tests	8
6.2.1 General	8
6.2.2 Seat tightness test	8
6.2.3 Overturn seat tightness test	9
6.3 Type test	9
6.3.1 General	9
6.3.2 Seat tightness test	9
6.3.3 Overturn seat tightness test	9
6.3.4 Drop test	10
6.3.5 Test results	11
7 Marking	11
8 Installation, operating and maintenance instructions	11
Annex A (normative) Drop test apparatus	12
