European foreword.....	3
Introduction	5
1 Scope.....	6
2 Normative references.....	6
3 Terms and definitions.....	6
4 Functions	6
5 Design characteristics.....	7
5.1 Relieving pressure.....	7
5.2 Weather protection.....	7
5.3 Drop test.....	7
5.4 Vapour venting performance.....	7
5.5 Temperature range	7
5.6 Materials of construction	7
5.7 Dimensional characteristics	7
5.8 Electrical resistance.....	7
5.9 Optional function	8
6 Tests.....	8
6.1 General.....	8
6.2 Production tests	8
6.3 Type tests.....	9
7 Marking	11
8 Installation, operating and maintenance instructions.....	11
Annex A (normative) Drop test apparatus.....	12
Annex B (informative) Minimum vapour venting capacity for fire engulfment relief.....	13
Bibliography.....	14
